About Drewry Research

Drewry Maritime Research is the research arm of global shipping consultancy Drewry. The company has over 50 years' experience in the maritime sector and employs more than 90 specialists across its offices in London, Delhi, Singapore and Shanghai.

Our market research is renowned for its quality and is trusted by industry leaders around the world to deliver impartial, robust analysis and balanced opinion. This independence, alongside our sector knowledge and expertise, sets our research apart and gives clients the rich market insight they need to make informed business decisions.

Copyright Terms and Conditions

Drewry owns full copyright of all its research products, covering both reports and online interactive resources. Drewry's rights and entitlements as copyright holder are protected by law in all jurisdictions. In this context, Drewry operates a simple policy of single-site and multi-site licences. All basic research products are sold on the basis of a standard licence covering a single site.

Standard Licence Terms

Drewry Standard License Terms will apply to any contract between us and you relating to the sale of Drewry information and research products and/or online information services ("Product(s)"). You are only permitted to use Drewry Product(s) if you are a contracted Licensee. The Drewry Standard Licence Terms can be accessed at:
